

# SUPRA LEGIT

Legal & Tax services in Spain  
**for business & startups**

*"We value your time"*

# About Supra Legit Lawyers

## General vision

**Supra Legit Lawyers is a highly specialized law firm dedicated to serving IT companies, startups, and investors in Spain. Unlike general legal service providers, we focus exclusively on the most dynamic industries in the IT sector, allowing us to develop a deep understanding of their unique needs and challenges.**

Our multilingual team works extensively with international clients, enabling us to navigate cultural nuances effortlessly. Through our broad network of partners worldwide, we offer seamless support to businesses looking to expand into global markets.

We pride ourselves on delivering fast, efficient solutions, fully aware that these industries often demand swift action. Our team remains readily available for communication via phone or instant messaging, ensuring responsive assistance whenever it's needed.

As a boutique law firm, we prioritize client-focused, personalized service, offering tailored legal support to meet your specific goals and needs.
